

*"Education is the power
to think clearly, the
power to act well in the
world's work, and the
power to appreciate life."*

— Brigham Young

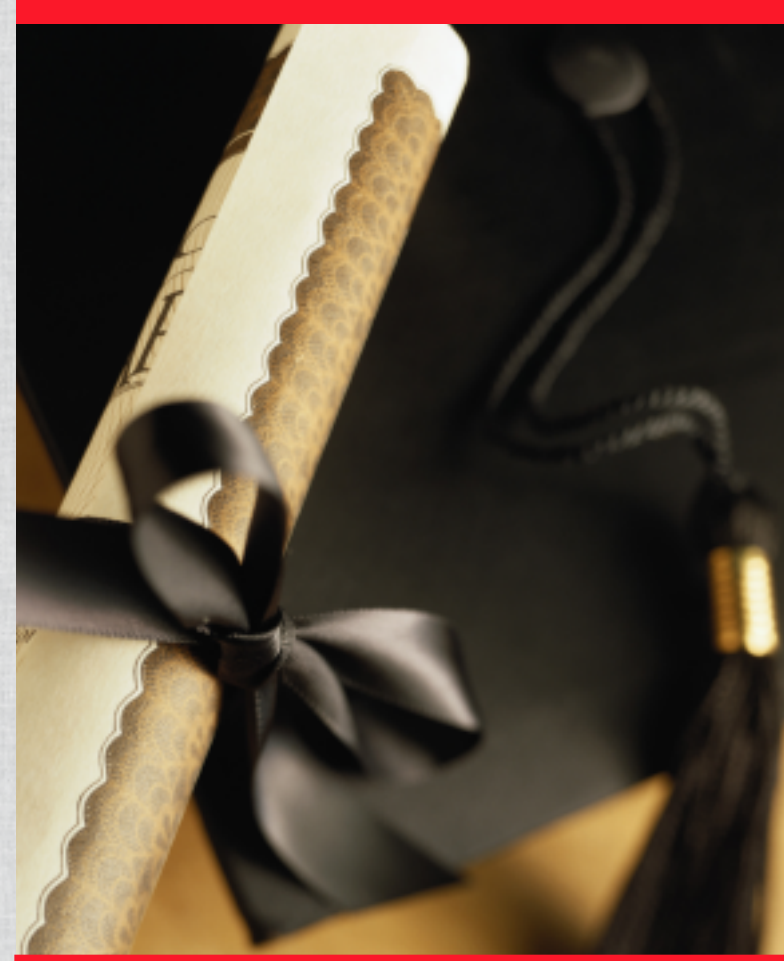

*"Education is a human
right with immense
power to transform. On
its foundation rest the
cornerstones of freedom,
democracy and sustainable
human development."*

— Kofi Annan

TMSDC
Education Foundation

*Transforming lives
through giving*

About the Foundation: *History of Giving*

The TMSDC Education Foundation considers it a privilege to provide financial support to assist deserving, low-income high school students. This foundation has awarded in excess of \$693,800 to over 143 students since its inception in 1994. Over the years, donations from concerned corporations and individuals have helped in creating significant support through scholarships. Gifts from donors have allowed the foundation to enrich educational opportunities for students in the Metropolitan Nashville School District. The Foundation recognizes that the quality of life in our community depends on the social and academic development of our students. Scholarships create the financial support needed to pursue a college education, and to create a more secure financial future for the recipients to pursue their dreams. The real beneficiaries of your support are our precious resources – our youth.

Mission

The Education Foundation exists to assist at-risk high school students, as well as minority business owners in furthering their education on a personal and professional level; and to encourage scholarship philanthropy. In so doing, the TMSDC Education Foundation provides a pathway for eligible scholarship recipients to improve their economic future.

Giving Opportunities

The Education Foundation was established in 1994 as a 501(c)3 nonprofit organization to enhance educational opportunities for at-risk students in the Metropolitan Nashville School District, who otherwise would be unable to pursue a college education. Our mission is to mentor low income students, with high potential. Support comes through contributions from a variety of sources – individuals, corporations, minority business enterprises, and events sponsored by the Tennessee Minority Supplier Development Council (TMSDC).

The future is now! The financial burden of a college education has increased dramatically. The TMSDC Education Foundation provides tuition scholarships to help offset the ever increasing educational expenses for students at colleges and universities.

It's not a donation. It's an investment in the future, today.
